

Costume Week & Recital Pictures- Save and print this for future reference

Costume Week is April 23-27, 2018. Please wear your tap costumes to class first and bring any other costumes and accessories to change. Make sure to wear a cover-up over your costume to protect it when traveling. Please save any questions you have about the costumes until costume week. We will discuss how to wear the costumes, hair, make-up, and accessories for the recital and pictures. **It is important that a parent or adult come to observe class this week** to take notes on important details about the costumes. Please bring safety pins, bobby pins, a notepad, and pen to take notes.

Dance Photo Days...Class group photos as well as individual photos (May 5-6, 2018)

All checks for group and individual packages are made payable to Edmund Photography. Cash or checks only, they do not accept credit cards.

Dance photos are strictly optional to purchase. However, we ask that all dancers come to be in the class picture even if you do not purchase one! For your convenience, we have allowed time in between group shots to allow you to have your individual photo taken in one or more costumes. The pictures will be taken at Ankeny Dance and Performing Arts Academy. (Refer to schedule below).

Please come to the studio dressed in costume with make-up applied. Wear the group costume specified below for your class. Arrive at least 5 minutes early to your scheduled group photo time. Do not be late or you will not be in your class photo. We cannot wait for you!

Individual photos should be taken in the group costume first to avoid long delays. If you wish an individual picture in a second costume, quickly change. Note: There are no make up days or times available. However, individuals who miss their specific group time may report during the last scheduled time of the day for your individual picture. Please arrive 5 minutes before your group time below and we will try our best to stay on time. We cannot guarantee all dancers will show up for the class group photo. The group shot will consist of only those who arrive on time.

Saturday, May 5 (Individual pictures are taken immediately after your scheduled group picture)
